Brett Valliant is an American organist in demand for his ability to perform many different genres of music on the instrument he loves. Whether at an organ in a concert hall, a majestic church organ on Sunday morning, a mighty Wurlitzer in a theater, or a Hammond B3, Brett is right at home. Critics internationally have defined his performances as 'exciting', 'refreshing', 'unorthodox', and 'astounding'.

At 15, he played his first Wurlitzer and exhibited a natural talent for the popular music loved by fans of the theatre organ. Brett is also known for scoring and accompanying many silent movies. He has been a featured performer at national conventions of the American Theatre Organ Society. Brett has toured extensively as a solo artist, featured soloist with orchestras and film accompanist abroad and throughout the United States.

Brett has many solo recordings to his credit as well as a number of studio projects with other musicians. Recently, he has been a featured artist at the Organ Stop Pizza Palace in Mesa, AZ

For his innovative approach to musicianship and performance, Brett credits his love and passion for rock 'n' roll, classical, jazz and popular music. He resides in Wichita with his tiny Chihuahua, Mabel. Brett is an outstanding artist and will amaze you with a great afternoon of wonderful music. This is a not to miss performance by a great theatre pipe organist.
