Rob Richards has gained worldwide celebrity as a concert and recording artist, and is the House Organist at Disney's historic El Capitan theatre in Hollywood. In addition to his international concert schedule, he has performed *thousands of* performances at the El Capitan since 1999, playing the legendary Wurlitzer pipe organ. His combination of technical facility, showmanship and personality has won him fans across America and around the world. After a recent seven week successful tour

in Australia and New Zealand, Rob returns to Omaha and will present an amazing theatre pipe organ program at the Rose Theatre Mighty Wurlitzer Theater Pipe Organ. His last performance in Omaha in 2012 was a rousing success and we are excited that he was able to schedule a return engagement.
