This is your invitation to great entertainment! Join the **River City Theatre Organ Society** and enjoy our events while supporting the preservation of a very unique art form, the theatre pipe organ.

The River City Theatre Organ Society sponsors many events throughout the year such as you attended. Our members come from all walks of life, most are listeners and simply enjoy the big sound of the Theatre Pipe Organ.

We would be privileged to have you join our organization and/or join us at our next meeting and share the good times with us.

As a member of **RCTOS**, you will receive our Chapter Newsletter, **THE POSTHORN**, a monthly mailing to advise of upcoming programs. **RCTOS** members normally meet on the 3rd Sunday of each month, except for some special events. The meeting always includes a very interesting organ program.

Further, we would encourage you to join the **American Theatre Organ Society (ATOS)** which provides a very informative magazine every other month. The publication provides many interesting articles relative to the restoration and installation of theater pipe organs and events other chapters may be sponsoring.
